NEW! Winter Village Cottage

Ages 12+. 1,490 pieces.

EXCLUSIVE

Continuing the winter series, build the Winter Village Cottage for a perfect holiday home. Seat Grandpa snugly by the fireplace with his newspaper as you help Dad to put up the tree, then bake a feast in the kitchen with Mom! When it's time to stock up the storage shed with firewood, bring the kids for a ride with Dad on the sled and watch him cut the wood with his chainsaw deep in the forest. When the snow gets really deep, clear the road with the snowplow, take all of the kids skiing or build an Igloo to play in. There's no cozier place to spend long, frosty nights!

THE HOBBIT AN UNEXPECTED JOURNEY

NEW! The Hobbit: An Unexpected Journey

Ages 7+, 394 pieces.

A buildable and fun twist on a memory game for 2 to 4 players. The game is all about finding the missing Dwarves who have gotten lost in Hobbiton, using hints left by Gandalf the Grey and some Hobbits to help you search. If you are up to the challenge you can transform the board during the game, testing your memory skills to the max. Once the board is built it is easy to store and quick to take out to play again.

NEW! Villa Savoye

Ages 12+. 660 pieces.

Build a LEGO® brick model of this famous modernist-style country house residence! Situated on the outskirts of Paris, France Villa Savoye was designed by Le Corbusier in the 1920s as the perfect embodiment of Le Corbusier's "Five Points" construction principles. This fusion of modern architecture and nature was intended to create harmony with Villa Savoye's woodland surroundings. Just like the real thing, this set features columns, functional roof space, open floor planning, long horizontal windows, and a free façade. This LEGO Architecture series interpretation of Villa Savoye was designed by German architect Michael Hepp in collaboration with the LEGO design team.
